

Pre-K Program 2017-18

What is the HCPSS Pre-K program? The Pre-K program is a high-quality, half-day prekindergarten program. Students must be four years old by September 1, 2017 to be considered for enrollment. The curriculum supports early learning and school readiness and provides experiences that foster children's academic, social, emotional and physical development.

Is my child eligible for the program? Per Maryland regulations, Pre-K is provided to any child who meets first priority criteria, which includes income eligibility, homelessness, and foster care. When space allows, as determined by countywide enrollment projections, additional children who meet second priority criteria (i.e. English Language Learners, health concerns, learning difficulties) may be enrolled.

How do I apply? Applications are available at www.hcpss.org/schools/prek/programs or at any school. All application information will be kept confidential and reviewed only by school staff. The school will review applications and then invite students to be enrolled according to the criteria described above.

Where are Pre-K programs located? Pre-K is available to eligible students in all attendance areas (see <https://schoollocator.hcpss.org/SchoolLocator/> for assigned school), but are only located at selected school sites. Pre-K students will attend the school to which they are assigned.
